Allow AssessME to create new users in Planning Center
Authorize Validate Synchronize Users Sync Log

- 1. Sign in to your ministry's AssessME.org administration account, navigate to the Mobilization Dashboard, then locate and click *Integrations*.
- 2. On the Integrations page, under Planning Center, select the *Enabled* checkbox.
- 3. Optionally, select the *Allow AssessME to create new users in Planning Center* checkbox to allow AssessME to create users in your Planning Center account if a user cannot be matched to an existing user.
- 4. Click the *Authorize* button. If prompted, sign in to Planning Center.
- 5. Click *Allow* to authorize AssessME.org to access data in the People application. Once complete, this process creates a new custom tab and AssessME fields in the Planning Center People application.

- 6. Click the *Validate* button *once* to ensure all settings are correct. The validation process creates a new custom tab and AssessME fields in the Planning Center People Module.
- 7. Select the *Synchronize Users* button to initiate your first linking of AssessME.org users with Planning Center individuals. Note: this may take several minutes or more depending on the number of users associated with your ministry.

A Note about Linking

Linking Planning Center individuals to AssessME users is automatic. Under normal circumstances, you do not need to manually initiate linking with the Synchronize Users button. While AssessME makes every effort to match users with individuals in Planning Center, there may be circumstances where matching users is not possible.

Viewing Candidate Profiles in Planning Center
